CLASS HOMEWORK AND TESTS
On each course for each exam paper, there will be HOMEWORK set by your tutor on a regular basis, as deemed necessary by the tutor. At 2 specific points on the course a formal homework exercise will be set, and students who submit it for marking will get it tutor-marked and returned with comments for improvement one week later.
On each course there will also be 2 IN-CLASS KNOWLEDGE TESTS, spread throughout the term. Tutors will give students notice at the preceding class that a test will be set the following week. Once marked, students will receive feedback on how they performed relative to their classmates.

*London School of Business & Finance reserves the right to vary or cancel any of the courses described here, or alter the composition of the relevant lecturing team as well as the venue/time of lectures, should the circumstances so require.
