GGSB MSc in Finance
About GGSB

GGSB is an internationally recognized leading European business school. The school is part of Grenoble Ecole de Management (GEM), one of the few business schools worldwide to have achieved triple accreditation from AMBA, AACSB and EQUIS.

GGSB consistently performs well in both international and domestic rankings. In the latest Finance Times European Business Schools 2015 Ranking, GGSB is placed 20th.

The GGSB MSc Finance is now offered through LSBF in Singapore, making it easy for international students to obtain the quality and reputation for excellence of a Master degree.

*The 2015 Financial Times Ranking 5th For International Course Experience 6th For International Mobility*
Why study with LSBF in Singapore

GGSB offers the MSc in Finance programme in partnership with LSBF in Singapore.

Studying with the appointed education institute in Asia, LSBF in Singapore allows you to undertake a top European finance degree and study in the heart of central Singapore, with major financial institutions and blue-chip companies all around you.
Gain a Top Ranked MSc in Finance

TRIPLE-ACCREDITED INSTITUTION

Earn your degree from a triple-accredited institution, Grenoble Graduate School of Business (GGSB).

TRIPLE accreditation is an honour shared by less than 1% of the world's elite business schools.

RANKED 12TH WORLDWIDE*

The MSc Finance from GGSB is ranked 12th worldwide in the 2016 Financial Times Pre-experience Masters in Finance Rankings.

CNCP AND NATIONAL RECOGNITION

MSc Finance graduates will be awarded a certificate conferring the title of “Manager Financier”.

This title is recognized by the CNCP*, an agency of the French Ministry of Labor. It is a recognition that the graduate's core financial management skills conform to the standards established by the French Ministry of Labor for managers of financial activities. For students planning to work in France following their studies, this recognition presents a competitive advantage.

*Commission Nationale de la Certification Professionnelle.

CFA INSTITUTE UNIVERSITY RECOGNITION PROGRAM

The MSc Finance has been accepted into the CFA Institute University Recognition Program.

This status is granted to institutions whose degree program(s) incorporate at least 70% of the CFA Program Candidate Body of Knowledge (CBOK), which provide students with a solid grounding in the CBOK, and positions them well to sit for the CFA exams.

FLY-IN FACULTY

Classes are taught by GGSB faculty, visiting professors from top universities worldwide, and business practitioners.

Most of the permanent faculty are engaged in applied research; their teaching links theory to practice through business cases. Their diverse cultural and international background lends a strong international dimension to the programme.

### Master of Science in Finance

**Programme Structure**

Students who apply for the GGSB MSc Finance aspire to boost their existing careers in the financial sector, in such areas as investment and commercial banking, asset management, financial services and consulting, or with corporate finance positions within international organisations. A high level of commitment is required from applicants as this programme is only offered on a full-time basis.
